Activity with an Adult

Find someone in your community who can tell you about their experiences tapping a tree and making syrup, perhaps from years ago or today.

Locate and read the section "Sap to Syrup at Canadian Organic Maple" on this website (www.CanadianOrganicMaple.com). Consider how these procedures compare and contrast with those described by the individual above.

Discuss what you have learned.

Write a thank you note to the person who shared their experiences with you.

I learned that:

- _____
- _____

Dear _____,

Date: _____

Thank you for _____

Sincerely,
